

Permission for GAFE and Weebly at Highland Catholic

You are giving your child(ren) permission to use the following online accounts while attending Highland Catholic School:

Google Apps for Education (GAFE)

Google Suite: Online productivity tools, (including but not limited to Docs, Sheets, and Slides) which gives the student an ability to create and share word processed documents, spreadsheets, presentations, and forms with their classmates and teachers no matter what computer they are on.

Gmail- This email set up through the highlandcatholic.org domain and is monitored by the technology department. Students in 4th and 5th grade will be able to email their core teachers, specialists, technology department and Mrs. Schmidt. Students in 6th-8th grade will have unrestricted ability to email after an email lesson by Mr. Backe at the beginning of 6th grade. Parents are welcome and encouraged to use their child's login to monitor email accounts. Please email k.atlas@highlandcatholic.org for the login information.

Google Classroom- an online learning space for teachers to post assignments, announcements, resources. Access for students to online discussion and electronic submission.

Weebly - This is a student created account through Weebly Education for website creation. All websites are teacher monitored and marked as private, meaning you cannot access the site unless you have a specific link. They are not searchable by the public.
