

THE SKINNY ON SWING

What is SWING?

The annual SWING event is Highland Catholic School's biggest fundraiser, uniting current families, legacy families, parishioners, and friends to raise critical funds directly benefiting our students and teachers. It's a fun and wonderful celebration of community.

Why it matters?

SWING has raised more than \$2 million in the last 24 years. Proceeds from the various events, raffles, and auctions support Highland Catholic School's general operating budget, from stable tuition rates and access to specialists to technology upgrades and improvements in facilities.

Specifically, past events have funded:

- Literacy Lab, Enrichment Room, Library, Spanish instruction, as well as our Music and Performing/Visual Arts offerings
- 1:1 iPad program for all students in Grades K-8 (allowing us to embed digital educational tools)
- Elementary Counselor and new recess tools to support the mental and social health of students

How can I help?

SWING is only made possible by an army of talented volunteers, the generosity of so many, and a shared vision to help our students and strengthen our community.
