

Lumen Christi CATHOLIC COMMUNITY

2055 Bohland Avenue Saint Paul, MN 55116 Phone 651-698-5581 www.lumenchristicc.org

Dear parents/guardians,

Lumen Christi Catholic Community has a long history of vibrant liturgies that stem from the active participation of all its members. Liturgical ministers contribute to these meaningful liturgies, especially the role of an altar server. Altar servers not only assist the priest, but they help guide the assembly. Over the years, parents and guardians have told me this about their child(ren) becoming altar servers:

- They grew more confident as they developed leadership skills like communication, teamwork, and critical thinking skills.
- It was a good way for their child(ren) to get to know others of all ages in their faith community.
- And, of course, they grew in their faith by knowing more about the liturgy and growing closer to God.

I invite you to consider and pray with your child(ren) about being a server. Please know that older altar servers are ready to be mentors and to help your child(ren) feel comfortable and safe in their role, in addition to adult oversight we provide. Servers are scheduled at Masses that are preferred by your family (*4:30pm on Saturday, 8:30am and 10:30am on Sunday*). We are also excited to introduce a new scheduling program this fall called **Ministry Scheduler Pro** that will help you as a parent/guardian manage your family's busy schedule.

If this works for your family, please complete the form sent home with your child(ren) and/or email me at your earliest convenience. Please also feel free to contact me if you have any questions. As we look to the future, we are excited about continuing to build this community of faith. And, if this year has taught us anything, it is the importance of connection. Hopefully Lumen Christi will always be a spiritual home that fosters greater love, connection, and compassion in our evolving world. Thank you for your prayerful consideration of this important ministry!

Amy Wittak, Director of Liturgy
